

Education Program

The plastic problem & the solution :

Classes for students and businesses.

EDUCATION

The Education Program will teach children and adults in 450 schools and businesses about the plastic problem and the various solutions to the problem. Classes will be taught in Vietnamese and English.

REDUCTION WASTE

We will also help the actual schools and businesses to reduce the use of single use plastic and food waste at their campus and or office. Through repeated follow-up consultations.

COST OF THE PROGRAM

This program is provided at no charge to schools in Saigon through a grant program.

Businesses will be charged based on the size and nature of the business. Scholarships are available for small businesses.

OUR GOAL IS TO SAVE 100,000 KG OF PLASTIC PER YEAR FROM GOING TO LANDFILL AND THE OCEAN
